Mrs. Carter and I want you to know how much we appreciate the cognac we received at Christmas time and I personally am especially appreciative of the very handsome matching necktie and hankerchief. It was most thoughtful of you to remember us during the holiday season.

I hope that you have had a very successful year and that our good relationships will continue in the same fine cooperative spirit during the next year.

With my thanks again, and with warm personal regards.

Faithfully yours,

/s/
